

Reviews from *The Actuary* magazine (2002-2005) by Alan Frost

“Just as a whole is more than the sum of its parts, this collection adds up to a narrative of over three years during which Alan has shown himself willing to forsake preconceptions and revise opinions. I am sure readers of *The Actuary* look forward to much more of this excellent example in the future.” *Seamus Creedon, News editor*

Please send me a copy of *A Light Frost*. I enclose a cheque for £3.99 (inc p & p) payable to **Alan Frost**
